River's Edge Condominium Association Insurance Requirements

- 1) Prior to the commencement of any work, the Unit Owner has the responsibility of providing River's Edge Condominium Association a **Certificate of Insurance from each contractor involved in the project naming:**
 - a) **Certificate Holder:**
River's Edge Condominium Association #1
c/o NS Management
4811 Main Street, Suite 101
Skokie, IL 60077
 - b) **Additional Insured:**
River's Edge Condominium Association #1 its agents and assigns
NS Management LLC
 - c) **Minimum coverages:**
 1. Worker's Compensation and Employee's Liability - \$500,000.
 2. Contractor's General Liability - \$1,000,000 each occurrence, \$2,000,000 in the aggregate – to cover any costs for labor, material, or both resulting from damage to the common elements, and/or individual units, and personal injury to others.
 3. In addition to the above, the contractor shall carry an excess Umbrella Liability policy in the amount of \$2,000,000.

These certificates shall be deposited with the Managing Agent prior to the beginning of construction. The insurance company issuing said Certificates must have a rating of at least and A (for excellent) as determined by A.M. Best and Company. River's Edge Condominium Association must approve drawings which include alterations to structural walls, the wall and window frames, electrical, plumbing or HVAC systems or anything affecting the common elements. The Owner will pay the consulting fee for services and any other fees when required.

Hard Surface Flooring Installation Guidelines

1. The contractor needs to have liability insurance. (Must provide a certificate of insurance).
2. Elevator pads need to be ordered 3 business days in advance at NS Management. Contact NS Management at (847) 998-0404 by email, at riversedge@nsmanagement.net or via the portal at www.nsmanagement.net.
3. There are heating lines in the floor. Make sure no holes are drilled or nails driven into floor without specific permission from management. Owner is responsible for any and all damage resulting from the installation. The preferred style of floor is a floating floor.
4. Contractor is required to remove all debris from the property.
5. Leave a note under the door of your downstairs neighbor that new flooring is being installed and that they will experience pounding noise.
6. Have a sound deadening sub floor installed under your hardwood floor. The sound deadening material must equal or exceed the specifications ¼ inch of cork.
7. Work times are 8:00 am thru 6:00 pm Monday thru Saturday.
8. Material cannot be delivered on Sunday.
9. Material must be delivered thru the garage door not the front foyer door.
10. The owner is responsible for security if the garage door is left open during material delivery.
11. Owner or contractor is responsible for clean-up of the common area.
